

## **ANNOUNCEMENT—GOOD WORKS KATRINA PROJECT**

(Please announce in all congregations on Sabbath, Oct. 1  
and Feast of Trumpets, Oct. 4, 2005)

We wish to thank everyone who donated in the last few weeks to the Good Works Program's "Katrina Disaster Relief" project. It appears now that we have received more than enough to provide assistance for the brethren who have been affected by this hurricane and also by Hurricane Rita. We request that no more contributions be made to this Good Works Program project. After all the needs have been met for hurricane-related assistance, any surplus funds will be used to help with other Good Works Program projects. Again, on behalf of all the members who suffered need, a heartfelt thanks to all of you for your prayers and donations!
